## *Leesville Junior High School*

Dear Parents/Guardians,

In order to receive federal funding to improve programs, instruction, and resources for your student(s), Title I schools are required to update several documents yearly. We always value parent/guardian input as we review and revise our Schoolwide Plan, Family Involvement Policy and Student/Parent/Teacher Compact. In addition to your input regarding documentation, we also welcome any spending suggestions that you may have for the upcoming school year. Therefore, we would greatly appreciate if you would stop by for a visit between now and 25 May 2017 to assist with decision making for the 2017-2018 school year.

As we know your time is valuable, the documents mentioned above can be viewed online prior your visit (look within the LJHS Title I Documents section of the page):

Thank you in advance for your support!

Sincerely,
